

How did we do?

It is our mission to provide each client excellent customer care, timely responses, friendly and courteous contact with all team members and a quality project from beginning to end that meets your expectations. We ask that you take a few moments to help us to continue to provide the level of customer care you deserve and expect. Please circle your response below and email this survey to paularosch@yahoo.com

- Per the initial client questionnaire you answered when we first met, did the project fulfill your expectations?
Yes or No
- Did you receive courteous and professional care?
Yes or No
- Were you satisfied with the level of communication and timely responses to your questions and concerns?
Yes or No
- Would you use this service again or recommend this service to others?
Yes or No
- Please feel free to add additional comments.

Thank you for inviting us into your garden. We appreciate your time and feedback on your experience with Garden Planning Services, LLC
